

WELCOME TO KINDERGARTEN

August 18, 2020

Dear Kindergarten Parents,

Let me begin by saying how it is such a privilege to be your child's kindergarten teacher.

My life has been dedicated to children and I can say I honestly love it! I have been in childcare over 4 decades. I received my teaching degree at William Paterson University, taught in both private and public schools, raised 3 children and currently have 8 grandkids to enjoy!

I have been a preschool director for 15 years and opened my own preschool, which has allowed me to observe and teach many types of children (they are all unique). My experience allows me to assess each child and help them have the most fun while learning that is possible.

I am excited and looking forward to getting to know your children and family this school year.

God bless,

Jill Lewis

P.S. I have included a supply list for the school year. Thanks so much for providing these items!

*Train up a child in the way he
should go and when he is old
he will not depart from it.*

Proverbs 22:6
